# THOR SHIELD™

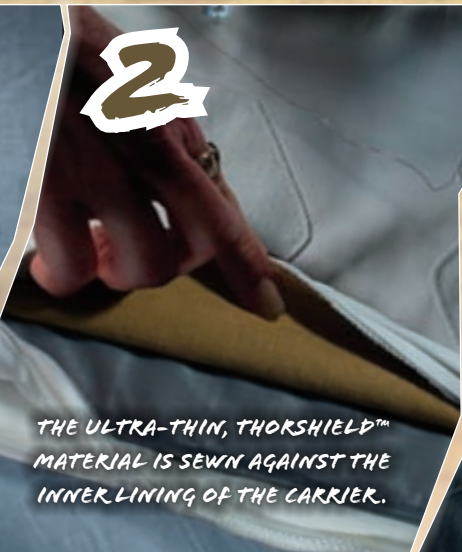

ThorShield™ - a durable, lightweight, conductive material lining that effectively protects officers from non-lethal energy weapons such as electroshock weapons and stun guns.

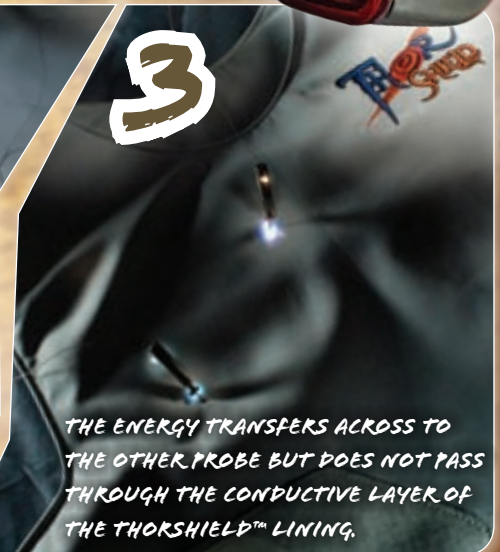

AVAILABLE IN POINT BLANK AND PACA BODY ARMOR PRODUCTS

1 CONDUCTIVE MATERIAL LINING IS FLEXIBLE AND LIGHT WEIGHT AND DOES NOT COMPROMISE COMFORT.

2 THE ULTRA-THIN, THORSHIELD™ MATERIAL IS SEWN AGAINST THE INNER LINING OF THE CARRIER.

3 THE ENERGY TRANSFERS ACROSS TO THE OTHER PROBE BUT DOES NOT PASS THROUGH THE CONDUCTIVE LAYER OF THE THORSHIELD™ LINING.
