HAYWARD -- A 29-year-old man withdrawing cash from a Bank of America branch was stunned with a Taser and robbed this week, police said.

Officers responded at 7:26 p.m. on Tuesday to the bank branch on the 26000 block of Mission Boulevard for a report of an armed robbery, Sgt. Ryan Cantrell said.

The victim told responding officers he withdrew \$100 from the bank's ATM and that an unknown suspect approached him and said "give me that."

The suspect grabbed the victim's wallet and simultaneously used a Taser to stun the victim in the abdomen, Cantrell said.

The suspect then ran in the direction of Harder Road.

The victim also suffered a sprained thumb during the altercation.

Police described the suspect as a black man, in his mid-20's, 6 feet tall, 180 pounds, with a slim build and dark complexion. He wore a dark colored jacket or sweater and possibly a hat.

Anyone with information about this case is asked to call police at 510-293-7000 or the anonymous tip line: 510-293-7197.
