Amarillo police are searching for a group of people suspected of robbing an Amarillo slots business over the weekend, police said.

At 10:30 a.m. Sunday, police officers were dispatched to Xoksai Slots Gaming Center, 1008 N. Fillmore St., in response to reports of a robbery.

Police were told a black man about 5 feet 7 inches tall with a stocky build and wearing a black mask, black jacket and black boots appeared at the door of the business and, when employees opened the door, he displayed a handgun.

The man and two other people, one of whom was armed with a Taser, police said, went inside and seized an undisclosed amount of cash and a large flat-screen television.

The group retreated to a small green sedan parked across the street from the business occupied by a fourth person, police said.

No serious injuries were reported in the

incident, police said.
