## See a City Councilman Be TASERED!

**Energy Weapon Protection Leader ThorShield Sponsoring Pearland Police Officer's Association Back the Badge Event on October 3rd**

TUCSON, AZ--(Marketwired - Sep 28, 2015) - Energy Weapon Protection Leader ThorShield will be sponsoring the Pearland Police Officer's Association (PPOA) inaugural Back the Badge Community Event on Saturday, Oct. 3 from 11:00 a.m. to 3:00 p.m.

ThorShield protective clothing ([www.thorshield.com](http://www.thorshield.com)) ensures that the electrical current conducts through the fabric versus the body, protecting the wearer. ThorShield products are only sold to law enforcement and military personnel.

The event will feature the opportunity to TASER Pearland City Councilman Tony Carbone. Residents may email bids and the winning bidder will pull the trigger on the TASER to demonstrate its effectiveness. Carbone will first be stunned with TASER while wearing ThorShield protective gear -- where he will not feel a thing -- and then without it, when he'll certainly get the shock of his life. This video shows the amazing difference: <https://www.youtube.com/watch?v=bG9VWVLPdZg>

"We think that it would be a lot of fun -- as well as enlightening for the officers and other law enforcement in attendance -- to see the difference between being protected from energy weapons such as TASER Brand Devices, and being vulnerable to them, as they are without ThorShield's highly conductive specialized protective gear," states Greg Williams, Partner, ThorShield. "Our representative Alex Solis will be in attendance to take questions, and he is also available at 520-991-0541 or [quantumcs@thorshield.com](mailto:quantumcs@thorshield.com)."

The event has been moved to the PISD administration building, located at 1928 N. Main (SH 35), due to great demand. "The response from the community has been very positive," said Pearland Police Officer's Association (PPOA) President Det. John DeSpain.

The event will also feature barbecue plates for purchase from the Bottomless Pit BBQ Crew, inflatables for the kids, a dunking booth, a donut-eating contest, opportunities to meet and greet Pearland Police Officers.

The opening bid to TASER City Councilman Tony Carbone is \$300 and bids are now being accepted. To place a bid, email Pearland Police Officer's Association President Det. John DeSpain at [jdespain@pearlandpoa.org](mailto:jdespain@pearlandpoa.org). Bidding updates will be available on the PPOA Facebook page at <https://m.facebook.com/Pearland.PD>. Bidding will close at 10:00 a.m. on Saturday, Oct. 3.

ThorShield Energy Weapon Protection Fabric is the most effective protection against non-lethal energy weapons on the market today. The fabric is integrated into body armor, uniforms, gloves and additional items. The ThorShield lining is a highly conductive specialized layer of fabric, which prevents the flow of electricity from energy weapons such as Tasers, cattle prods, stun guns and similar devices.
